

dedicated  
*to comfort*

A WHILE AGO WE MADE A QUICK CALCULATION and it turned out that roughly 4,000 pieces of SITS furniture found a place in someone's home every day. Today we've probably surpassed that number, but we're just as humbled by it. To take a place in someone's life brings responsibility. And our way of living up to that is by always delivering on the one thing we know our customers look for in our products: comfort.

To be able to relax into a sofa or to enjoy the design of a table is what SITS is all about.

But getting into the comfort zone, contrary as it may seem, is hard work. From design through production, up to the final moment of truth, we focus on one thing and one thing only: you. Our design needs to be matched by your experience. And the quality of our products will enable you to enjoy them for many years to come.

You can take comfort in many things. We just never take it for granted.
